The *Coca-Cola* Fundraiser Program is designed for Non-Profit Organizations to sell to individual friends and families. Absolutely NO Sales to Coca-Cola Dealers (Convenience Stores/Grocery Stores/ Drug Stores, etc.)

Cases are delivered by tractor-trailer and dropped off by pallets to an “outside” designated area by forklifts. Drivers do not have access to hand trucks so please make sure you have them available. Coca-Cola can only deliver to public locations. No deliveries to residential areas are allowed.

**Delivery times:** All deliveries will have a 1–hour delivery time window, less than 100 cases will have a 4 hour time window.

In the event that you need to swap product or have additional orders, please contact your Coca-Cola Sales Representative and make sure you do so within 7 days after delivery. Orders after 7-days will be considered a separate fund raiser and case price may change. Additional orders must be a minimum of 20 cases.

**Payment:** At Delivery. We accept cash, business/school checks, money orders or cashiers checks (payable to Coca Cola Refreshment). Please check your order in full. You will sign an invoice stating what product you received. If anything is missing from your order, it must be noted on the invoice.
